

Busy Bee Newsletter For Nov 26-30

Hi Families,

Last week-I hope everyone had an enjoyable Thanksgiving and got some family time in. The Bake sale was a huge success and raised over \$600 that will go towards new wagons and wheel barrows for the playground. Thank you to everyone who helped by donating baked goods and/or buying some treats. We are so thankful for the support we get from our Little Acorn families. The Busy Bees talked about Thankfulness last week and talked about what it means to be thankful. We made some awesome turkey hats that I hope made you smile.

This week-We are going to be learning about our 5 senses. The holidays have so many things to see, hear, smell, taste and feel that it is a great time to talk about it. We are going to go on a listening walk, paint with smelly paints, do a science activity and finish the week with a cooking project. We also will be practicing our songs for the winter concert and working on a top secret project for our families.

Santa Breakfast-This event is nearly sold out! there may be a few spots left at the 7:30 slot, check with Katie if you are interested. If you have already have purchased tickets, be sure and plan on getting here at your time slot. We are serving breakfast, will have some make and take crafts to do and you'll get your turn with Santa on his sleigh. The book fair will also be open during this event.

Scholastic book fair-The book fair is a great chance for you to get some good books at reasonable prices. Also when you buy books, we get points for free books for our classrooms! It will be open during school hours for you to check out.

Holiday wreath Fundraiser (* We do have a lot going on right now as far as fundraisers go, but we don't expect families to participate in every one. Pick the one that fits for you family and budget and know we appreciate whatever support you give!)

-We partner with Scarlett Blooms(a LAPS Alumni family) to do this fundraiser.

Orders are placed 11/19-11/28 with delivery the week of December 10th. Check out the post from Little Acorn on Bloomz to see what they look like and to get pricing.

Head lice check- Ok this is the time of year for hats and coats and lots of indoor time. We need to work together to keep this at bay. Please check your child, use preventative shampoos and sprays and let us know if you have to treat your child for lice. I know its an uncomfortable topic, but its more of a hassle to have an outbreak
