Afternoon Class

Hi Families,

Last week-It was a great week, starting with fun Valentine's day parties and a cooking project. We ended the week with our learning about keeping healthy bodies and talking about germs and a visit from Dr. Suzie. She talked to the kids about keeping healthy teeth and what a trip to the Dentist might be like.

We had several kids out with sickness , so please be sure you are sending healthy kids and are having them wash hands before they come into class. We also talked about kindness last week and used cotton balls and sandpaper as our guide to what words can feel like. As a class we are trying to use our "cotton ball" words with friends and think about how words can feel to others. The kids each took home a cotton ball and a small piece of sandpaper to talk to their families about what we are learning. Ask your Busy Bee if they know about it.

This Week- we are going to keep talking about keeping healthy and will do some focus on Dental health. We will be sending home a brush your teeth chart to get everyone remembering to get those teeth clean twice a day. We are also doing lots of "teeth" related activities all week long.

We are also going to be throwing in some discussion about "time" in the next few weeks. We will be looking at clocks and figuring out what the numbers and hands mean and how to "tell time". Remember about our schools Family Fun night happening on Tuesday from 5:30-7:00 !!!

Fun night-This Tuesday February 21 we will have another family fun night here at LAPS. It is our Literacy night and we are going to be having everyone come dressed as your favorite book character. There will be crafts, games and even a dance party at the end of the evening. The whole family is invited to this free event.

Auction news- On Saturday March 25 Little Acorn will be having it's annual silent auction fundraiser at Big Al's. This is always a fun parents only night out so mark your calendars and plan on attending. Watch for tickets sales and more info coming soon. Also if you know of a business that would like to donate something to our auction we would love it! Let me know if you need more info about this. Thanks in advance for your support. Our afternoon class will be doing a camping themed auction basket and will have out a sign up sheet to collect items from other Busy bee families to fill the basket. Thanks in advance for your awesome support.

Volunteering opportunities- We have several chances to help out and volunteer. There is a notebook in the hallway that has them listed. You must fill out a
