Afternoon Class

Hi Families,

*******Inclement weather-Be aware of a possible school closure do to inclement wither this week. We will post to Bloomz if there is a closure**

Last week-We had a fun Valentines Day party and started talking about keeping our bodies healthy. The kids actually had a bunch of good ideas for keeping healthy and we had a good conversation about it. We started with the basic idea of germs and hand washing, covering when you cough or sneeze. We heard a great book called "Sick Simon" about a boy who spread his sick germs and didn't even know he was. With all the illness going around it is a good topic to learn about. We had to postpone our visit with Dr. Suzie as she had a Dental emergency at her office and couldn't get away. We will try for this Thursday!

This Week-We are looking at some tricky weather this week, forecasts of snow and freezing AM temps. Hopefully we get to have class and get to all the activities we have planned. We are going to keep with our healthy bodies theme and explore how to eat healthy, get some exercise and keep healthy teeth. We have some fun tooth art and a grocery bag activity where we will "fill" our bag with healthy foods. We are also going to turn our dramatic play area into the "Busy Bee grocery store". If you have some empty food boxes(cereal,pasta,etc.) that you can send in to help stock our shelves that would be great.

Family Fun Night- On Thursday Feb.22 our school will be having a Family fun Night from 5:30-7:00pm. Our theme for the night will be STEAM(science,technology, engineering, art and math). There will be hands on activities for the whole family at this FREE evening.We need to have your RSVP so we have enough supplies for the activities. You can message me on Bloomz or sign up on the list outside the classroom.

Auction News-Auction News-If you are considering attending this event, you should know that it sells out, so get your tickets early! On March 24 our school will be having its annual Auction dinner. Tickets are on sale now! Early bird tickets will be \$45 per couple. \$25 for individual, after March 16 the prices go up. New this year is a chance for you to sponsor a teacher to for the evening for \$20. The evening includes catered dinner, no host bar, silent and live auction items, prize give away and raffles.

Our class is also going to be putting together two auction baskets. They will be a **Dog themed basket** and a **Family road trip** themed basket. We will be asking for items to be donated to fill them. We are in need of some more items for theses

baskets! You can look for the online Amazon list or sign up on the one outside the classroom. Thanks in advance for your continued support of our school!

Volunteer Help-Thank you to those that asked about helping with the laminating! We can always use help with prepping for projects, cutting, die cutting and filing into portfolios so let me know if you can help.

Google/Yelp review-Are you very happy with your experience here at Little Acorn? would you be willing to write a review on Google or Yelp sharing your thoughts? It would be much appreciated if you feel this is something you can do. Thanks in advance for your support.

Sick kids-Please have your kids wash their hands before they come to class! We have had kids out with some flu like symptoms and want to keep the germs to a minimum if we can. Another reminder to let us know when your Busy Bee is out of class with an illness. We like to track illness and be sure we are aware of contagious illness, like pink eye or strep throat or flu like symptoms. We are sanitizing daily and trying our best to keep the classroom environment healthy. Thanks for partnering with us in trying to stay healthy!

Fundraising-Here at Little acorn we are a non-profit and get our funds for improvements to our classrooms and classroom toys all from fundraising.

Annual dinner auction: We are in need of auction donations for the silent auction. If you have access to businesses that would be willing to donate something I can email you a letter to give them. We will also be putting together a basket from the Busy bee class and need a few parents to be in charge of choosing a theme, collecting donations and organizing it.

At the action we will be having a "Wine pull" and are taking donations on bottles of wine. Let me know if you have some lying around or have a great connection to some to donate.
