Afternoon Class

Hi Families,

Last week-I hope everyone enjoyed the three day weekend and some great family time. I was camping with our kids/grandkids and made some memories enjoying this hot weather, making amores ,getting bug bites and exploring the campground. Last week in class was a fun week of hearing reports, eating an ocean in a cup, making an ocean in a bottle and spending time outside in the great weather! We wrapped up our ocean learning and are taking about school getting over.

This Week-I'm sure your kids have told you about their portfolios? Well if not , ask them about what they are. This week we are going to be working on some papers, art and summer bucket lists that will complete our portfolios and get them ready to take home on Graduation day. The Busy Bee's are pretty excited to get to finally take these home and have been putting work in them all year. They are going to be very proud to show them off to you.

We also will spend some time reflecting on our year and the favorite parts of it. We will be putting a journal page in our portfolios called "My favorite thing we did this year" and they'll be drawing some pictures to go with it.

This time of year is fun and a lot of work as we try to wrangle these big kids into a space they have out grown in a good way. Thank you for trusting us with your precious babies(I tell them they will always be their parents babies) and supporting our classroom this year!

Busy Bee Graduation- As we talk about the end of the year, I want to remind everyone of our Graduation program. On June 13th at 1:30 PM the Busy Bee class will be having our Graduation in Jason Lee Hall. We will sing some songs for you and get our certificates, enjoy some cake and punch and get our portfolios. Then to end it all we watch our end of the year video together. There is a sign up sheet in the hall to let me know how many guests your Busy Bee will be having. We will be having a regular day, so drop off at the usual time and then come back to join in the celebration.

All school picnic-It getting close to the end of the year and here at Little Acorn we love to celebrate! We will be having our annual All school end of the year picnic on June 14 at Felida Park from 10:00-12:00. Watch for a sign up sheet to bring a potluck item and the school will provide hot dogs/buns/condiments. It's a great way to close out the year and say good bye to all the teachers and friends! We are trying to get a headcount for hot dogs, there is an invite on Bloomz to RSVP to let me know, Thanks!

Busy Bee Newsletter May 22-26

Bowling make-up day-We have decided on a solution I hope can make everyone happy! The afternoon classes will have a bowling day on Thursday June 15(yes, school is over on the 14th at the picnic) at Crosley bowl to have our chance to bowl. All three classes will go and teachers will be there to hang out and visit.If you already paid before when we were going in December, you are still good. If you want to go and did not plan on it before or pay, it will be \$2 for each bowler to bowl one game.

Summer Camp-We have some great camps offered this year! Our Robot inventor camp is fun for everyone, not only the kids interested in Robots. We will have lots of hands on activities, outside play, fun snacks and a visit from a real robotics team and their robot. The second week of camp in July will be a good old-fashioned camp themed week filled with camp snacks, songs, crafts and even a T-shirt for all the "Happy campers". These camps are a great way to keep the social skills working through the summer, give you a break and give the kids a chance to see friends. Camp will be two weeks in July(10-14)(17-21). Registration forms went in cubbies last week. Little acorn summer camps are for kids 2 1/2-6 years old and run from 9-12 AM each day for a week.
