

Busy Bee Newsletter September 12-16

Afternoon Class

Hi Families,

Last week-It was a good first week back to school! Everyone had lots of time to play and explore the classroom. There were some new friendships started and some old ones reunited. We all had a helper job, poured our drink at snack (spilled a few) and played outside on the play ground. We worked on some name recognition and writing, sharing and taking turns and what we do at circletime(listen & look). You all have great kids and its going to be so much fun getting to know everyone as we melt into a classroom team!

Thank you to everyone that sent in the white 3 ring binder for their Busy Bee, as well as all those great supplies. We will start putting papers in our portfolios soon , so if you have not sent one yet, please do so this week.

This week- As we form our group, we need to get to know each other. This week we will be learning about what makes each of us special. We are making an "All about me book" ,doing some self portraits, hand prints,graph some very important data about eye color and hair color and spend some time painting a giant "Co-operation rainbow" to hang in our classroom.

This week when the kids come into class they will "sign in"at the table by writing their name, find their name/picture card and put it in the "hive". Also your Busy Bee brought home their book bag last week, they should bring it into class and return it to the shelf. This is our start of class routine and will take a few days to get it fine tuned.

Paper work-We need your child's paperwork returned to school if you have not yet done so. If you are a returning family, we still need paperwork filled out each school year. These papers help us with getting to know your child, allergies or food issues we need to know about, what you would like to see progress-wise for you child and of course the important release form so we

Busy Bee Newsletter September 12-16

know who is authorized to pick up your child from school. You can print them of our website or let me know and I can get some for you. Thanks!

Bloomz- I hope everyone has had a chance to check out this app and has seen the pictures of the first we posted. If you are still not signed up, let me know and we can get you up to date on classroom happenings. This is an App you get on your phone or computer that will help me send you reminders, the weekly newsletter and photos of daily classroom activities. I will give you the code and instructions to join.

Bike helmets- The bikes will be out this week! We have the bikes (trikes, scooters and balance bikes) out to use during our outside playtime. If your Busy Bee would like to try their hand at riding, they must bring a properly fitting helmet from home (name on it, please).

Volunteering opportunities- We have several chances to help out and volunteer. There is a notebook in the hallway that has them listed. We also will have classroom helpers needed and that sign up sheet is posted in the hallway. You must fill out a volunteer form before working in the classroom.

Contact info: Please feel free to contact me if you have questions or concerns. I am fine with a text or a call or you can email. It's going to be a great year in the Busy Bee Class!
