

## Rainbow Room Newsletter March 20-24

### Last Week...

We had so much fun exploring colors in all kinds of ways. The kids really enjoyed painting our community rainbow as well as making their own yarn and handprint rainbows:D. We also used glue, salt and eye droppers to watch the colors creep along our glue designs. Brown Bear (one of the kids favorites) helped us learn our colors in a different way with the paper bag puppet and we helped the lonely chameleon find his own color by mixing paints to make a new one :D

### This Week...

It's shape week! We will be talking all about shapes...

### Letter of the Week

This week we will be exploring **the letter S**, for sun, scooter and of course, shapes! If your child would like to bring in sharing, please help them find something to bring that starts with the letter S.

### Other Notes:

**Auction Tickets are sold out!!** You can, however start bidding on our class art project :D. It is the tree of seasons that has been on display outside our classroom. Each student in our class was able to add their own "mark" to the seasons :D. Also, there will be a few items on display and up for bidding outside Katie's office. You can also purchase a \$5 raffle ticket to try to win an Amazon Alexis or a Kindle Fire. **Make sure you stop by and take a look!!**

**The Elevator is out of service...** Please use the stairs if you need to go downstairs. If you are not able to do so, please let me know and I am happy to help make other arrangements for picking up other children.

**Cooking Hot Snack:** We will be having chicken nuggets for snack at school on Wednesday, March 29th, and need some help cooking it. If you are interested and would like to get in some volunteer time, let Katie know :D

**Book Fair:** This is another volunteer opportunity. Check in with Katie about signing up to help man the booth a little before and/or after school March 27-31st.

**SUBS:** We are really in need of substitutes for our school. If you would like to help us out, please talk to Katie about it. You can tell her which days you are available and which classes you would like to sub in. You can just sub in our class, but it's a great way to get to know the other classes and it really helps us out when a teacher is sick. If you can help, we would soooo appreciate it :D.

**If you have any questions, please feel free to ask. Send me an email, a message on Bloomz, or just ask after pick up :D.**
