

# Busy Bee Class Newsletter

for the week of June 7-11

Hi Families,

The Graduations were all very nice last week. I hope everyone enjoyed seeing their Busy Bee complete their preschool experience. Thank you to all the parents who helped provide snacks, set-up and clean up. We couldn't have done it without you.

So, now we are down to the last few days in class and the last newsletter of the school year. This week during class we will be having the kids help us clean toys and close down our classroom. Not only does this help us out, but it gives some closure to the kids who need that to move on to the next school adventure. We will have a yummy snack of ice cream sundae's when the work is completed, probably Tues./Wed Am and Wed. PM.

If you have any books that came from our room, please return them this week. Also check your child's cubby, after Wednesday anything left will be thrown out. There also several more photos left from Graduation that need to find homes, feel free to help yourselves to them.

On Thursday and Friday we will be having our annual all **school picnic** at Fleida park. If you signed up for something bring it with you to the picnic. You may also want to bring a chair or blanket. The Am classes will be at 9:30 and the afternoon class will meet at 12:30. We will have the event rain or shine so come on out and have some fun!

We have several openings for next year in the Sunshine and Rainbow classes, please let anyone know that would be interested. We have some great Teachers in those classes and want to be sure to give new families a chance to see what a good program we have going here at @ LAPSK.

**TUITION:** Tuition for the month of June is half of what you usually pay and is due by noon on the 10th of June. Payment received after that will be charged the late fee.

Thank you all so much for making this a great school year! Having a group of Parents that are supportive and want to be involved in their kids school makes a huge difference in the teaching experience for us. We will miss you and your families, but are hopeful you'll come back and visit. Have a great Summer!

Teacher Kim
