

Kindergarten Notes

Week #38
June 7th - 11th, 2010

Dear Families,

Congratulations, we've made it through a fun and memorable school year together!! It has been a remarkable year with this amazing class. We have celebrated many accomplishments, shaped many new friendships, and created countless priceless memories together. These children are smart, personable, hard working, and just plain fun to be around. I have no doubt these kids are going to go on to do amazing things in life. Thank you for sharing your children with me this year.

I also want to take this opportunity to say thank you for your dedication and commitment you have for your child's education, the contributions you have made throughout the school year, and the partnerships we have fostered. You have helped to make our school year positive, enjoyable, and successful. THANK YOU!!

As you have noticed your child's backpack has been jammed packed with finished projects, portfolio work, and contributions from our class books. While most of the "big" stuff has been returned we will be continuing to send belongings home throughout the last few days of class.

Our big day is coming up.....Graduation is this Tuesday!! We will begin our processional into Jason Lee Auditorium at 10am so please make sure to get there a few minutes early to get those cameras ready. We will have tables designated for the food you have signed up to contribute for our celebratory reception immediately following our graduation. I have copied the sign-up sheet below in case you need a reminder. ☺

Another reminder - we will be holding regular class on Wednesday and Thursday; Friday will be our All-School Picnic at Felida Park at 9:30AM.

For one last time.....I hope you all have a wonderful week-end. I look forward to seeing you all on Monday and enjoying one last memorable week together!!

Sincerely,

~ Teacher Keri
