June 7th-11th

In our Classroom

I can't believe that we are at the end of our school year already. We have thoroughly enjoyed this school year with each of your children and wish you all a safe and wonderful summer! We will finish up our camping theme this week with smores for snack and a fun time around our "campfire" singing songs. We also will be making our own painting of the woods to take home with us. During this week we will be sending home all of your children's extra items including diapers and wipes so please make sure to get everything out of the cubbies.

Our school picnic is Thursday and Friday at Felida Park starting at 9:30. Please make sure to sign up and bring something to share so that our picnic is a success. We will be out there rain or shine!

Thanks again for a great year Rainbow Room!
