

Dear families,

This is the last newsletter of the school year and what a great year it was! I feel blessed to have gotten to spend the year with such wonderful families; you are all truly awesome. Thanks for sharing your children with me and Marissa!

Last week we started our rainforest animal reports and will finish those up this week. The children did a great job of sharing their information with rest of the class. They are so excited about learning about the rainforest, I wish we had more time to continue this study! We ran out of time to read *The Great Kapok Tree* as I was going to read this at a separate time from our beginning story time. I will be reading this week!

As this is our last week together we will be celebrating with a pizza party. AM parties will be Tuesday and Wednesday at 11:15 and the PM party will be at 3:30. Parents are welcome to join, but are not required. Thank you to everyone who donated money for the pizza's; if you haven't yet and still want to a dollar or two would be great!

Thursday and Friday will be our final days together for the year and we will be spending them at Felida Park. We will be bbq'ing hot dogs and will have sign-up sheets for side dishes, buns, drinks and deserts. The picnics are a fun way to celebrate the year we had together; hope to see you there!

I am thinking it would be fun to meet up a few times over the summer at a park or something... I will be keeping the facebook page up through the

middle of August so parents can keep in touch and I will post a few dates to get together!

This is our last week... I am going to miss everyone so much!

Plants need soil, Plants need light
Water plants so they'll grow right
If you want your plant to grow, this is what you need to know
Plants need soil, Plants need light
Water plants so they'll grow right

Baby Bumble Bee

I'm bringing home a baby bumble bee
Won't my mama be so proud of me
I'm bringing home a baby bumble bee

Yuck!! That bumble bee got honey all over me!

I'm tasting the honey from the baby bumble bee
Won't my mama be so proud of me
I'm tasting the honey from the baby bumble bee

Yuck!! It's all over me!!

I'm wiping off the honey from the baby bumble bee
Won't my mama be so proud of me
I'm wiping off the honey from the baby bumble bee

Uh Oh!!! Here comes mommy!!
