

Star Class Newsletter

June 7th-11th

Word Wall "Gg"

G is for Goodbye

Here it is, the last newsletter of the year! How did this happen so fast? In September we hardly knew each other, and now departing in June it seems as though there was not

enough time together. It has been a gift to know your children, teach them and share this very special time in life with your family. Thank you so much for making us a part of it. We would like to send you with well wishes for your future and please know we always welcome visits from you.

This week we are going to be involving the children in cleaning up the classroom packing items away. We like to have the children help as part of the closure process for them. We are sending home all of your child's items that are at school. You will find most items in their cubbies and on the coat hooks. Please take a second look around, just in case.

End of the Year Picnic

Wednesday may be the last day of class, but we all meet at Felida Park for one last outside play time, big bbq and potluck. We are going to be there come rain or shine. Sign-up sheets are outside the classroom door for you to take a look 😊 Please bring all items directly to the park for all of us to enjoy!

Tuition

Tuition is half of your normal monthly payment for the month of June!

House Cleaning

Parents, for the rest of our in class days, we are going to be cleaning out and organizing/reorganizing all of the supplies and materials we have used this year.

After school on Wednesday we are required to move all of the furniture in the classroom on to the linoleum floor. If you are a Wednesday parent that would like to help us do this, we would very much appreciate this task. It's quick and easy, but the some of the items are a little awkward to move on our own.

While this would not count for your official volunteer hours, we sure would love to have a helping hand with these tasks.

Summer Camp

There is still room left in summer camp! Registration is now open for your child to have one, two, or three great weeks of fun this summer at Little Acorn. Please see Maria for dates, availabilities and the theme for each super fun week!

Upcoming Events

June
