TV OFF WEEK

We will be participating in TV Off during the week of June 1st - 6th. During this time we challenge you to find other activities to do as a family: play board games, hang out at a local park, take in some time at the library, family reading time, bike rides, nature walks, or just exploring your own neighborhood. We will be sending out pledge cards for each child. Children who successful complete the week without any TV may turn in their pledge cards, to the office, for a special prize.

Volunteers

Thank you to everyone who helped with playground clean-up. We were able to get everything done. We really appreciate everyone who volunteered this year. You help make our school a truly wonderful place. Everyone together logged over 300 hours of volunteering.
